Description & house plan

The living area occupies the ground floor and consists of a cozy dining area and a TV area with seating / sleeping suite. Both maintain their homelike atmosphere by the brightness, and a stove, is available for the wood.

In the first floor are three bedrooms. Two thereof are each equipped with a double bed. In the third and largest room is a cozy addition to a double sofa bed that can serve as seating during the day.

The kitchen adjoins the living area and is separated only by a counter with four bar stools from the spacious living room. It is equipped from A to Z. In addition to the usual inventory such as plates, cutlery, glasses, etc. are even smaller kitchen appliances such as coffee machine, kettle, toaster and a raclette oven to do so.

The sauna is probably the highlight of the wooden house. The simple operation allows the optimal recovery at the end of an eventful day.
