Description & house plan

We welcome you in holiday village Gröbming.

In the heart of Austria, in beautiful Steiermark, an idyllic holiday village is being built right now, consisting of 8 timber holiday rentals, set up in traditional log cabin style. Located in a peaceful setting in Oberen Ennstal, close to the Schladming Dachstein Tauern resort, very well suited for sports activities and unforgettable impressions of nature.

The rentals are all accommodated to a tasteful style. Each house has its own charming living room with open plan kitchen, a wood-burning stove with glass and a typical corner bench with table. The kitchen is fully fitted with electric cooking range, micro wave oven, dishwasher, coffeemaker, toaster, cutlery, tableware and glasses.

The 2 separate bedrooms have a double bed with cupboard. Each rental has a spacious bathroom with shower and wash basin, tastefully accommodated and of good quality. Separate toilet.

All houses have satellite TV (42"/50" plasma screen), radio, TV, internet connection (WLAN) and DVD player and have all required comfort for a pleasant stay. Each house has a private terrace, where you can enjoy the sunset in summer or make a snowman in winter. Plenty of parking space available.

Surroundings & activities

The Dachstein Tauern resort has plenty to offer.

Close to your accommodation are many leisure activities: cross-country skiing loipes, horse riding, ropes course, bars, adventure park and much more. Shops and restaurants can be reached by foot (ca 600m) or by car (within a couple of minutes).
