Description & house plan

FAMILY HOLIDAY AT THE SEA, CLOSE TO THE BEACH -FISHING WITH A PROFESIONNAL FISHERMAN

2 apartments/holiday homes at the sea, excellent for a vacation in the sun, also suited for families and groups. Water sports, fishing facilities, pet allowed. Quiet and centrally located, tennis court at 400m, nude beaches.

The 2 holiday homes of the fisherman's family are comfortably for 2 families or 1 large family. Zeljko and Tina are your host and hostess. Air-conditioning everywhere and quality furniture.

Those who love to go fishing with Zeljko can put out to the sea at 4.30 in the morning to catch some fish and to enjoy the breathtaking sunrise. This is entirely free of charge, your help will be rewarded with fish (as Petrus said in the bible). Grandma Anka will give you the recipe to prepare the fish. Children are welcome, pets are allowed when they're house-trained. The beaches lie at respectively 50 and 150 meters and within a radius of 150m you will find everything you need to prepare your meal.

Surroundings & activities

This former fishermen's village is now successfully focused on tourism. It has one of the nicest beaches of the Adriatic coast and the holiday maker has all facilities he can think of in the direct neighbourhood. Excellent for a vacation in the sun or an active holiday.

A real must is a trip to Dubrovnik and a boat trip to Korcula.

Trips that are certainly worth the trouble:

Mostar and Pocitelj, the place of pilgrimage Medjugorje with the waterfalls of Kravice; Makarska and the nature reserve Biokovo with the highest mountaintop of Croatia (1.762m), which can be reached by car or by bike. In bright weather you have a marvellous view of Italy and the deep inland and you are rewarded with a beautiful sunset.

If you want a change or the beach is too hot you can go 13km Southwards to the fresh water lakes of Bacina. Refreshing jump into the lake or a boat trip with a pirate ship throughout 6 of the 7 lakes and then right to the spring.

Or go for a walk along the coast line to the neighboring village Brist. Right past the beach discotheque (under the olive trees) you will find the famous cocktail bar of the world champion cocktail mixing 2002. While the children have fun in the water, you can enjoy the latest cocktail creations at the bar.

Subsequently climb the stairs just round the corner and have a lovely fish meal at Mala Mare while you enjoy the
