## Description & house plan

### FAMILY HOLIDAY AT PRIVATE BEACH - 3 HOLIDAY HOMES

Three apartments/holiday homes excellently located for beach, family or active holidays. Nude beaches nearby. Diving school and tennis courts in the neighbourhood. Located at the edge of the seaside resort; relaxation and peace guaranteed. Suited for 15 people at max., also for bus trips from clubs or associations.

Apartment I and II for 2 + 4 people. Bedroom, large living room with sofa-bed, kitchen area, bathroom and large balcony with sea view. You can swim undisturbed in front of the house and take a shower in the apartment. Water fun and relaxation guaranteed.

In the neighbouring house, 2 extra apartment/studios for 3 people, with satellite TV and air-conditioning.

Nice long beach walks to the Southeast or the Northwest. After 400m to the Northwest you will pass by a cocktail bar - refreshments under the historical vaults of the Kacic House; have your cocktail made by the 'world champ cocktail mixing' himself.

Afterwards climb up the stairs and enjoy the fish specialities and seafood of Konoba Mala Mare.

In the Southeast lies disco Pineta - very nice setting at the beach under the olive trees. You can party here at live music until the early hours.

Further on in the direction of Gradac you will reach the nude beach and the Bosac bay, one of the nicest beaches of the Adriatic offering many water sport facilities and 3 tennis courts (in front of hotel Laguna: 5€/hour).

## Surroundings & activities

The small fishing village Brist is stretched out over 1km of Adriatic coast and has several swimming possibilities and small beaches to relax and enjoy the sun. Romantic holiday for couples or lots of water fun for families with children.

Plenty of daytrip opportunities (1/2 or full day) at the coast, the inland or the neighbouring islands. The heat between 11am and 4pm in July and August is better to avoid. The nicest months, especially for seniors, are April, May, June, September and October. The abundant vegetation of the Biokovo mountains and the fresh water lakes of Bacina nearby are very inviting to take a walk or to explore the neighbourhood. The higher on the Biokovo mountains, the nicer the views. It is advisable though not to go and explore all by yourself.

If you like water sports, the seaside resort close by has plenty to offer: diving, surfing, jetski,...

At night there's the Pinata discotheque or at the other end of Gradac; the techno disco on the beach and the

typical Dalmatian holiday resort with a promenade full of bars and restaurants.

For fish specialities of excellent quality go to restaurant VAL, chez Pero, at the beach in front of Hotel Laguna.
