Description & house plan

In the Tuscany of France, in the department 'Lot' we offer 3 elegantly restored holiday homes situated on a beautiful 20 ha estate in a nature reserve. All 3 houses are located in a private valley surrounded with oak woods, ancient roads, sunflowers and lavender.

Besides the marvellous gîte "La Bouteille dans le Bois" (6p) and the cosy turret house "La Garconniere" (4p) with large shared pool, there is the romantic old farmhouse "Grady" (14p) with large private pool (12m).

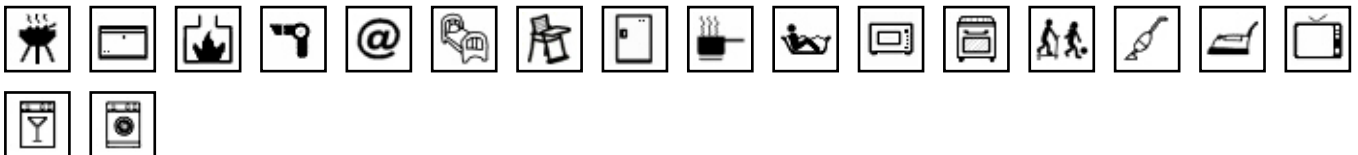

This elegantly restored medieval house has amongst others a beautiful fireplace, 3 old stone sinks, a marvellous covered balcony as well as a covered terrace.

Except from the large attic with opening onto the living room, four bedrooms have a double bed, two bedrooms have two single beds. The house has been entirely furnished, with washing and dishwashing machine, satellite TV with all Dutch and several English stations, central heating, large fire place, grill, sufficient garden furniture, etc.. Cots and baby chairs are available while supplies last (for the 3 houses together).

The private pool with spacious terraces and bower is situated at about 25m from the house.

In low season extra low prices. Have a look at our own website with plenty of pictures and a link to the detailed price list of all 3 the houses. However, for the time being the English and French version of our own website is not yet up to date.

For further information please contact Mrs. Admiraal at +31 (0)725 894555, she will send you the reservation documents and itinerary. We prefer a call, rather than an e-mail to discuss further details regarding period etc...
