## Description & house plan

Vonyarcvashegy is one of the most beautiful and modern cities on the northern shore of Lake Balaton. The locals have paid lots of attention to the city and its beaches. This holiday home is situated on a quiet street in the center of the city. From the terrace you have a beautiful view of the harbor of Keszthely and the surrounding hills. The house has a southern exposure, meaning it is sunny and warm from spring till autumn and offers an amazing view of the lake and its sailors. You can park (for free) within the enclosed yard, where you will also find garden furniture. In the garden there is a special barbecuing place for adults and a sandbox for children.

This holiday home has two apartments, both with their own separate entrance and terrace. They are similar in design and furnishings. Both have a total area of 50 m<sup>2</sup>, which includes 2 bedrooms and a living room. In one apartment there is a corner sofa in the living room which is suitable for two persons. In the other apartment there is a double couch, also suitable for two persons. One bedroom is furnished with a double bed, the other has two single beds. In total there is space for 6 persons to sleep. Each bedroom has a wardrobe. This holiday home has modern plastic windows and doors, and the floors are covered with parquet or tiles. Each apartment is equipped with an oven, cooking range, coffee maker, microwave oven and cable TV. The kitchens are fully-equipped, containing all the necessary utensils for cooking and eating. On the terrace you will find a parasol to shade you from the sun.

## Surroundings & activities

Vonyarcvashegy and its surroundings are full of sights and programs to occupy your free time with. We recommend a visit to the chapel of Vonyarcvashegy, the Africa Park and lookout tower in Balatonederics, the harbor of Keszthely and the Festetics Museum. The thermal spa in Hévíz should not be missed either as this is the biggest open-air thermal spa in Europe. All of these aforementioned places are easy to reach by bicycle. By car you can reach Tapolca within half an hour. This place is famous for its cave lake. Szigliget is also within half an hour by car and has a wonderful castle. There are several recreational activities possible here, for example: miniature golf, horseback riding, quad riding, fishing, water-skiing, cycling, tennis and bowling.
